

Family-owned and operated, Zylstra Medical Supply, Inc. was founded with the goal of bringing improved quality of life to you.

We are a full-service Durable Medical Equipment company offering a wide range of quality medical equipment to patients with issues such as joint injuries, diabetes, incontinence, arthritis, and personal mobility.

We accept Medicare, Medicaid, BCBS, BCBS Plus Blue, Humana, Secure Horizons, Meridian Health Plan, United Healthcare, and Priority Health as well as many other private insurances. We also offer numerous private-pay services in our retail store.

Our well-stocked retail store and warehouse is conveniently located in Kentwood, Michigan on 44th Street between Breton and Kalamazoo Avenues.

We make Housecalls! We'll come directly to you for assessment and product delivery. Invite us over to discover how Zylstra Medical Supply can improve the quality of life for you or a loved one.

Why Zylstra?

We offer you the best solutions for pain management, contracture orthotics, incontinence supplies, diabetic footwear, and personal mobility. We excel at Compression Garments, Diabetic Shoes, Splinting, Bracing, and Bathroom Safety Supplies. We also offer, for sale or rental, Hospital Beds and Wheel Chairs.

We set the standard for customer care in the industry and vow to service the needs of our local community.

A complete product line to meet every patient's need.

Medical equipment can play a very important role in maintaining your independence and making it easier to complete activities of daily living.

Pain Management Solutions

Our line of pain management orthotics fit a wide range of needs for the active and inactive patient. At Zylstra, our goal is to provide comfort with quality to assist

with increased activity.

Contracture Solutions

Our contracture orthotics are constructed of soft, anti-microbial, moldable material, enabling comfort for the patient as well as durability. Each splint is designed to adjust to the changing need of the contracture.

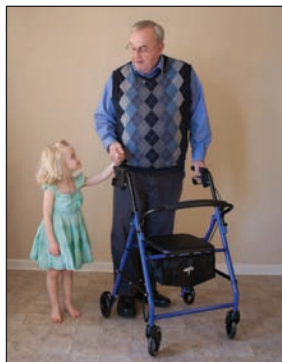

Diabetic Footwear

Our line of diabetic footwear fit a wide range of needs and styles. Our shoes provide adequate room for your comfort. With our heat moldable or foam impression inserts our shoes set the standard for comfort and quality while protecting the diabetic foot.

Mobility Options

Personal mobility is an important factor in living a happy and independent life. Whether you are ambulatory or not, our personal mobility products are designed to assist you in meeting your activities of daily living.
